This offer expires end of day 6/30/26. Not all funds to buy down rates will be the same in each community or on each plan. Each home may have a different incentive amount. All incentives listed above require using our preferred lender, Steve Currington for your mortgage at closing. "Preferred Lender" refers to the person, not a bank or mortgage company. For eligibility, the Qualified Buyer must pre-apply with the Preferred Lender before submitting an offer to qualify for the Promotion. Your interest rate may vary depending on your creditworthiness.
